Hi Kate,

I'm currently on [REDACTED] until Oct 14. If you need any of my notes, etc..please contact the drug lab directly or the other chemist on the cert.

Thanks,  
Kate

Hi,

This case is on for trial on October 13, 2009 in Lowell District Court. The drug cert # is [REDACTED] I noticed that you have already been summonsed to Lowell for another case on that same date - so should I assume it works for you?

Thank you!

Kate
